The Mason LINE

by Chan Mason

We heard of a clergyman who keeps a notebook on his desk which he has labeled "complaints of members." There are nothing but blank pages contained in the book.

In explaining the empty notebook he says, "Yes, I receive many, many complaints but I always tell the complainants that I will write down what they say and take it up with the official board." The sight of the book and pen has had its effect. In 40 years no entry has ever been made.

We'd guess a lot of gossip would never be gossiped if it first had to stand the test of appearing in print.

—ML—
In spite of the above, we have just one little beef for today. We wonder how much time we've spent carefully modulating the volume of sound on a particular TV program. Just about the time all is going well, a blast comes roaring out of the set which finally severs all of our frayed little nerve ends. This blast of course merely heralds the advent of the advertising commercial. Now we know that TV advertising is mighty expensive and the sponsor wants every one to hear his pitch but we doubt the wisdom of the jarring jangle unless of course the sponsor is in the business of selling ear trumpets.

—ML—
We read in Capper's Weekly recently the story of a negro mammy who at 97 was still spry and lived alone in a spic and span cabin and did all her own housework including the washing.

When asked how she managed to do it all herself, she gave a rather wise philosophy of life in one sentence.

"When ah works, ah works hard; when ah sets, ah sets loose; and when ah starts worryin' ah goes to sleep."

—ML—
May we make an appeal to the motoring public to please drive carefully December 16 as well as the 15th? We plan to be on the road both days!

—ML—
Congratulations are in order to Henry Goldy, the genial proprietor of Michael's, on his acceptance of the chairmanship of the 1955 Lemon Grove March of Dimes. It's a great cause and deserves the full support of us all.

AUTO ACCIDENT PUTS OUT GROVE LIGHTS 2 HOURS

Most of Lemon Grove was plunged into darkness last Thursday when H. L. Dahlbergs, 4815 Alameda Dr., La Mesa, lost control of his auto and hit a power pole in front of Mayfair Market at about 9 p.m.

Injured was his wife Merle, whom the Highway Patrol reported as being the only other occupant. They also reported that Dahlbergs attempted to clean the inside of his windshield while it was raining and lost control of his car.

Mrs. Dahlbergs was cut about the face and suffered possible internal injuries but her condition was listed as good at the Villa View Hospital.

The car was demolished. Lemon Grove was without electricity for two hours. The Lemon Grove Fire Department cut lines on all sides of the accident area when the power lines shorted out.

Flora Blake, Grove Businesswoman, Passes

Flora Y. Blake, 3280 New Jersey, wife of Stanley R. Blake, died at home Friday, December 10. Mrs. Blake had been in prolonged ill health and recently suffered a fall.

The couple, well known in business circles, formerly operated the Greeting Shop. It later became known as the Angel Shop. Funeral details are being handled by Conrad Mortuary, 7387 Broadway. The body is being flown to Hartford, Connecticut, for burial. Services were conducted by the First Congregational Church.

In addition to her husband, Mrs. Blake is survived by a daughter, Frances Jean. The family returned to Connecticut for the burial.

GREETING CARD PROJECT CANCELLED

Mrs. Randolph Morse, Lemon Grove woman who has aided to the joy to needy children for the past five Christmases by collecting old Christmas cards at the Lemon Grove library said there would be no such project this year.

She reported that there is no need for the cards this year, according to the church group for whom she had collected them in the past.

Helix Boundaries Shuffled by High School District

Increased high school attendance for the 1955-1956 period in the Grossmont High School District was responsible for a reshuffling of boundaries at the monthly school board meeting Monday night, according to Lewis Smith, Grossmont superintendent.

The new boundaries for Helix students will be the area enclosed by the following streets and roads:

Alvarado Freeway, Jackson, Hayes, Lincoln, Lemon, Garfield, Mariposa, Panorama, Garden west to La Mesa limits to Quarry Road, Imperial to Sweetwater Road, Golden, Adams, Washington, Palm, Hardy, Mt. Vernon, 68th, San Miguel, to Central and Federal, then north following the boundary between San Diego Unified School District and the Lemon Grove, La Mesa-Spring Valley School Districts.

Helix High now has 1,900 students. Without new boundaries the school population would skyrocket to 2,800 in 1958. The new boundaries are planned for a maximum of 2,400 students, this being actually 800 over its rated capacity.

Some Helix students now residing in the area transferred to Grossmont will be permitted to continue attending Helix but will be required to furnish their own transportation. All students residing within 2½ miles of either school they attend will be required to walk.

Next year's freshmen who reside in the Lemon Grove Elementary School District may elect to attend Helix, Smith pointed out. He said that school loyalty was a worthwhile consideration and the school administration would subscribe to such a condition in so far as possible.

Less than 100 pupils now attending Lemon Grove Junior High School will be effected, Smith said. The educational facilities at both Grossmont and Helix is comparable, Smith added.

Other exceptions to the ones already noted include:

1. Transportation will be furnished for physically handicapped students.
2. Students whose residence is on a boundary street may attend either of the two schools involved.
3. Students majoring in agriculture will attend El Cajon Valley High.
4. Students majoring in graphic arts will attend Helix High.

Name Dr. Swenson C of C President

Dr. Robert Swenson, Lemon Grove dentist, was elected president of the Lemon Grove Chapter of Commerce at a luncheon meeting Tuesday at Michael's.

Clarence Milbrodt, manager of Lemon Grove Piggly Wiggly, was named vice president, succeeding himself.

Officers were elected for the year 1955 and will take offices at the first regular meeting on Tuesday, January 4.

CANDY TO BE DISTRIBUTED BY SANTA SATURDAY

Saturday afternoon, 2 p.m. at the "Child's Playhouse" on the Plaza, Santa Claus will distribute candy to the children of Lemon Grove. Assisting Santa will be members of the Business Women's League, who also will take you on a tour through the playhouse which they are sponsoring. Tickets are available on the Plaza and also throughout various business establishments in Lemon Grove. Proceeds from this project go for the beautification of the downtown area around the railroad tracks. Winner need not be present, and the house will be delivered on their lot.

Also being displayed on the Plaza is the Nativity Scene, a Christmas Wish from the Lioness Club, Kiwanis-Annes and the Business Women's League. The scene was erected by Al Cole, of Cole's Cabinets and Builder's Supply, and Paul Louer of Artcraft Signs. On the opposite side of Broadway may be seen the beautifully decorated Christmas tree, with red candles in the background. A snowman will also be added this week. These decorations were Christmas greetings from the Business Women's League to the residents of Lemon Grove.

BUSINESS PEOPLE ARE WARNED ON 'SHARPIES'

Sharpies are operating in the Lemon Grove area again this Christmas, according to Sheriff Willard Rigley of the Sheriff's Department.

A man, about 30-35 years of age, olive complexion and six feet tall, usually wearing a dark suit, is aiding his Christmas shopping by asking merchants to permit him the use of the telephone to call his wife concerning identification of a check with which he will presumably pay for his holiday purchases.

He is usually sent to the merchant's private phone which in most cases is in the rear of the store.

The man, report the merchants, later saunters out with the contents of employees' purses, and his wife's check, if there was any originally.

LETTERS TO THE EDITOR

As I sit here surrounded by my ghost writers, as Frank Armstrong will accuse me, I wonder how anyone could figure out the cost of incorporation without knowing the alleged city boundaries or the population, the cost will be spread over. There are several petitions to be considered before boundaries are set and I am quite sure there will be no 18,000 population, or \$14,000,000 assessed valuation, after the County Board of Supervisors set the boundaries. Even including the large areas where all the good citizens who are contributing to the pork barrel live.

It is not clear to anyone just what comes out of the pork barrel for the people, other than cleaning and maintaining the streets of the business district.

And most people feel the businessmen should clean their streets and maintain their own little district as they are already supported by the people of the community.

I suggest Miss or Mrs. I. G. McCrae might give them a hand after she cleans her own yard as she says. It will be much cheaper for her, and every other citizen and every other local property owner in the long run.

As for nine or ten eager policemen running around with pockets full of citations to issue for their own support, please the support of a couple other fat jobs in that department. I am sure the people would prefer the dirty streets other than a set-up like that.

Mr. Armstrong remarks that the Lions Club is backing this incorporation deal! Why shouldn't they? They are composed of a few businessmen of Lemon Grove, not all property owners or local residents voters" who would benefit the most and pay the least.

There is a very small group, Frank, in your incorporation deal patting each other on the back so many times, that they do not realize that they are just the same fellows patting each other a little more often, and gaining no support whatsoever. Instead more and more people are beginning to realize what they would be up against with a City Council made up of the proponents of the incorporation deal. They are beginning to wonder if they haven't already gotten their heads together and selected their jobs, providing they get their men on the council and providing incorporation is voted in.

I would like to call Mr. Armstrong's attention to the election in Downey, California, just the other day. Downey with a population of 70,000 and an assessed valuation of \$57,000,000 and 24,000 registered voters, voted two to one against incorporation. That was the sixth time the people turned it down. Perhaps you should quit now Frank, there's a good logical reason! The foolishness of duplicating offices of city government and street and other departments and equipment.

Now Mr. Editor, we have two very successful men in their own profession that are going to run for councilmen, men of unquestionable integrity. Doctor David W. Wilhite and Paul Hendricks, owner and proprietor of the Lemon Grove Shopping center. Both of these men are local residents of approximately ten years. Both men are highly respected and are in constant contact with the people of the community so they naturally understand any problems that could arise.

Doctor Wilhite and Mr. Hendricks were approached by some

New Insurance Policy Set By School Board

An insurance plan presenting district policy was adopted by the board of trustees of the Lemon Grove School District on Monday evening of this week when the group met for the regular December session.

As in the past, the district will maintain a broker of record to supervise the total school insurance program, but these qualifications were set up for such a broker:

- (1) He shall be a licensed insurance broker;
- (2) He shall have been in the insurance business, with an office within the boundaries of the Lemon Grove School District, for at least two years;
- (3) He shall be a resident of Lemon Grove School District for the past two years;
- (4) He shall be an owner of real property in the school district;
- (5) At least 75 per cent of his income shall be derived from the insurance business.

The broker shall receive 30% of the fire insurance premiums and shall participate equally with other brokers in the plan with the other 70% of the premiums.

Over half the insurance carried by a school district is fire insurance, with that remaining classed as miscellaneous insurance. This miscellaneous insurance shall be let to bid as the various policies come up for renewal.

At the same time qualifications were established for the broker of record, participating broker requirements were also set up. These brokers shall be licensed insurance brokers; they shall have at least a year's experience in the insurance business in Lemon Grove; they shall have resided in Lemon Grove for at least one year; and they shall be owners of real property in the school district. In the case of participating brokers, no stated percentage of income must be derived from the insurance business.

All qualifications for these brokers will apply at the time the brokers make application for school insurance. Therefore, the board will not cancel any of the policies now in existence, and the qualifications set up do not apply until times for renewal.

Insurance in the school district is written on a five year budget plan, with one fifth of the insurance written each year. No fire insurance in the Lemon Grove district is due to be renewed before August, 1955.

The board adopted the policy of writing fire insurance in those companies represented by the broker of record, and premiums will be distributed by the board to the participating brokers who meet the qualifications.

Reports of selections of sites for schools in the district were given by John Brannigan of the School House Planning Division of the State Department of Education, and by Bart Dunne and Richard L. Weiser of the San Diego County Planning Department. Further discussion on financing and needs will be scheduled by the board.

CONGREGATIONAL CHOIRS TO SING IN PLAZA

Two junior choirs from the Congregational Church, the "Golden Note Choir," and the "Circle Robe Choir," will be singing carols by the Nativity Scene, at the Plaza, December 20, from 7:30 to 8 p.m.

Girl Scout Troop 334 will sing the following night, December 21, from 7:30 till 8 p.m.

Dutch Cleaners Dissolve Partnership

The Dutch Cleaners, 7870 Broadway, formerly owned and operated by the partnership of William Vandenberg and Ed Chaffin, has been taken over by Vandenberg effective November 15, according to the new owner.

local citizens and asked that they let their names be placed on the ballots for city councilmen. They both agreed that they would take jobs in a civic minded spirit. Neither Mr. Hendricks or Doctor Wilhite have any political aims.

While I and most people feel sure we are not going to have incorporation we fully intend to have some men on the ballot that we can place confidence in.

LOCAL MAN MADE SENIOR WARDEN

A local business man, Ernest M. Newton, was installed as senior warden of the Silvergate Lodge No. 269, F&AM earlier this month.

He is co-owner of the Lemon Grove Stationers at 3482 Main St. He is also a member of the Darius Lodge 143, Royal Arch Masons.

The Dimmer VIEW

by Max Goodwin

Once, when I first came to Lemon Grove, I inserted a slogan in our masthead which read "All the local news that's fit to print."

Soon thereafter, a lady visited my office and informed me that she had provided me with a story of her daughter's wedding, and that it was not printed, it followed that I was informing that the affair was immoral. She also informed me that she would seek legal redress for the injury the family's reputation presumably suffered. I suddenly lost my taste for trying to convince readers that nothing newsworthy was being omitted from this newspaper.

I was sufficiently worried, however, to ask for guidance from the California Newspaper Publishers' Association of which I am a dues paying member. John Long, a good friend and seasoned newspaper man, who is general manager of the Association to which practically every California newspaper, both small and large belongs, said to me when I phoned him in Los Angeles, "Don't back up from such a charge. CNPA is behind you."

That gave me assurance and reminded me that no organization newspaper stands alone. For example, when the weekly newspaper in Corona Del Mar decided to fight against a city license for their publication under the belief that its constitutional rights were being denied, not only did CNPA come to the forefront, but so did the nationwide National Editorial Association to which most of the nation's newspapers are also members. The cause was carried by the press group to the Supreme Court.

I recall once, when I was on the city desk of the Nashville Tennessean during wartime, a small town tyrant lodged a charge of slander against the publisher of a neighboring weekly because this publisher had questioned the actions of this man while he held public office.

Not only did the Tennessee Press Association send a battery of lawyers to defend the publisher, but two of the larger dailies each sent a crack reporter to check out the editor's charge of official irregularities against the complainant. The publisher was exonerated but the additional evidence dug up by the reporters led to a jail sentence for the miscreant.

On the other hand I remember a case in Southern Ohio where a publisher used some knowledge he had otherwise legitimately ac-

Henry Goldy To Head Up March of Dimes

Henry Goldy, Lemon Grove restaurant operator, has been named to head up the 1955 local Infantile Paralysis drive.

Last year, the Lemon Grove Kiwanis Club spearheaded the March of Dimes campaign and \$3,000 was raised.

The San Diego County Chapter of the larger foundation for Infantile Paralysis, just received an allocation of \$200,500. Goldy said, and the money will be used to pay patients' care bills in the county for the months of September through November.

At present the chapter uses about \$30,000 for medical care, nursing help, and therapy for the approximately 600 post-polio patients in the county.

Several activities are being planned by Goldy and all clubs and organizations in the community will be asked to assist.

Local C.P.A. Firm Expands—Forms Partnership

A new partnership, a new, larger location, and a bigger staff were announced this week by Bert Betts, certified public accountant, 7898 Broadway.

The new firm will include Richard C. Munden who has been associated with the firm for the past four years and the firm name will be changed to Betts and Munden.

The firm will immediately occupy the upstairs area of their present location in the building of Luther Hussey's law office. Floor space will be more than doubled.

Munden attended Balboa University and San Diego State College. Betts opened his office late in 1950 in Lemon Grove.

The firm now employs eight persons. A growing staff and a growing list of clients dictated the changes, the partners asserted.

SCHOOLS CLOSE FRIDAY FOR HOLIDAYS

Schools throughout the Lemon Grove School District close this Friday afternoon, December 17, for the Christmas holiday season. Classes will resume on Monday, January 3, 1955.

Pageants, concerts, plays, and parties emphasized the importance of the coming holiday in all schools. Major productions were presented to the public by both the junior high and Golden Avenue music departments.

Merchants String Christmas Lights Across Broadway

Two strings of tinsel lights were hung this week across the main business intersection at Main, Imperial and Broadway.

The strings were paid for by local businessmen but the project was sponsored by the Chamber of Commerce. Cost of the two strings was \$430.00.

A truck loaded with lumber swept down one of the strings of lights Tuesday night. Organizers of the project said that they had complained to the firm which installed the lights because they were hung so low.

guired to shake down a government official. The Publishers' Association moved in against him as quickly as it would have come to the defense of a brother member, and eventually the shakedown was forced out of the newspaper business as a result of this and other actions.

The gist of this little piece is that every printed word in a newspaper must stand up not only to the thoughtful examination of sincere readers, but also to a sometimes psychotic attack, and attacks of retribution for imagined injury.

It is, then, reassuring to know that so many busy newspaper executives will drop what they're doing to not only comfort but give positive aid to a distressed member. It is equally reassuring to know that punitive action, equally quick, will be taken against dishonest or unfair members.

Thus we may see the self-imposed counters and balances of the newspaper business as it applies not only to this newspaper, but every newspaper in the United States.

Lemon Grove will vote on incorporation Monday, January 10, the County Board of Supervisors decided Tuesday.

Ballots will contain a resolution for and against incorporation, and for and against a city manager form of government. 5 councilmen, a city clerk and a city treasurer will be voted on the same ballot.

The early date will permit the city to be chartered in time to be listed on the current year's tax rolls for income producing needs, it was pointed out.

So far, only one man has publicly declared that he is a candidate for council. He is A. C. "George" Lenox, 7545 Pacific St.

The Registrar of Voters said that candidates for city positions may file up to noon Jan. 4. Nomination papers may be acquired from the Registrar's office at 4005 Rosecrans. These candidates must be proposed by not less than five may file up to January 3. Nomination of the proposers must be qualified registered voters.

The Registrar also pointed out that residents who did not vote in either the primary or general election of 1954 would be ineligible to vote unless they re-registered. It is too late to register for the incorporation election, he pointed out, the 54th day prior to an election having already passed.

Exclusions allowed were the areas of Vista La Mesa and Lemon Grove Vista so that these residents could choose later between annexation to San Diego, La Mesa or Lemon Grove.

Two areas west of Lemon Grove already under application for annexation to San Diego; and a portion of southeast Lemon Grove that drains into Spring Valley.

Areas were denied exclusion where islands would be created. The proposed city now has a population of 12,732 and 6,366 registered voters, and an area of 5 square miles. There will be 26 precincts in the January 10th election. The original boundaries set forth in the petitions indicated a population of 15,030 and 7,515 voters. The difference is caused by exclusions.

A map of the proposed city will be published next week in the REVIEW.

Screen Star to Head Program Friday

Some 2,500 persons will join their voices in some of the great old Christmas carols when Barbara Britton, star of screen, radio and TV, leads the San Diego Council of Churches program, Friday at 7:30 p.m. at the Russ Auditorium in San Diego.

Some Sort of A LINE

By JACK WOOLSEY

In most any business the cashier is the one who really counts.

If a girl refuses to dance with you it may be because she knows her business.

Once upon a time a guy named Practice met a gal named Perfect.

Many girls find that the steps to popularity are baby stars.

Everybody has something to fall back on and many of us are flat on it occasionally.

When a guy takes out a gal and parks at the first convenient place instead of finding a more secluded spot, it's love at first sight.

Then there was the woman who sat there for socks for her nephew because she received a letter stating that he had grown another foot.

The girl who knows her unions usually gets the carats.

Then there was the farmer who found a rat in the oven but by the time he could get a gun it was out of his range.

A lot of men will never chase after women. They're too fine, too decent—too old.

A pint of enjoyment can get you in a peck of trouble.

Then there was the guy whose wife presented him with quadruplets and he went out and bought a fifth.

Propaganda is baloney disguised as food for thought—and the worst is yet to come.

Then there was the woman who wouldn't mend her husband's socks because he refused to get her a fur coat. If he didn't give a wrap, she refused to give a darn.

Sometimes when a woman goes on a diet the money saved makes an interesting figure.

A dog's nose is always in the middle of his head because it's the center.

Fire Department Warns on Christmas Decorations

The annual warning by the Lemon Grove Fire Department in connection with the Christmas trees has been given again by "Pappy" Hensley.

A note to us covering the precautions to be taken is herewith reprinted:

1. Select a fresh tree, no larger than you need.
2. Cut off at least an inch of the trunk of the tree at an angle, and keep the cut trunk in wet sand or water.
3. Mount the tree securely so that it cannot overturn easily.
4. Place the tree away from fireplace, radiators and other heat sources, and be sure that, if it catches fire, it will not block the path of egress from the room.
5. In decorating the tree, avoid the use of flammable bunting, cotton streamers and similar decorative material. The market affords fire retardant decorations.
6. Use only U. L. cords for Christmas tree lights. Examine cords for fraying and worn connections and replace them when necessary. It goes almost without saying that candles should never be used. Turn off the lights when retiring and when leaving the house.
7. Be sure that toys are not flammable. Dispose of gift wrappings and packing material safely, avoiding any accumulation which may be the cause of fire.
8. After Christmas, remove the tree as soon as possible. No matter how careful you are, the tree dries out indoors and becomes more hazardous as the time passes.
9. For a little extra safety bring your tree to the fire department and the boys will spray it with a flame-retardant, approved by the state fire marshal.

First National Bank Cited for Exceptional Growth

A further reflection of the extraordinary population and economic growth of San Diego County is contained in a nationwide banking expansion report just published by "Banking," the official journal of the American Banking Association. In a study of the nation's 200 largest banks, the authoritative professional publication has found that the First National Trust and Savings

Bank of San Diego ranks 33rd in major banking growth over the past 11 years.

The outstanding record, according to "Banking," advanced the First National Trust and Savings Bank of San Diego from 201st place among the nation's leading banks in 1943 to 158th place in 1954. It was the only San Diego County bank to be cited for exceptional growth in the survey.

During the same period the county's population has increased approximately 53 per cent, from an estimated level of 475,000 in 1943 to some 730,000 during the present year.

The banking publication commented editorially that the predominant reasons for outstanding growth in the 109 banks covered in its nationwide survey were (1) staff excellency and (2) community expansion in which the fastest growing banks uniformly shared.

THE SHOW'S THE THING!

Highlights of "Rogue Cop": When a murder is committed, Steve Forrest, rookie cop brother of detective sergeant Robert Taylor, spots the killer. The latter has something on George Raft and the big-wheel gangster informs Taylor, who is on the gang payroll, his kid brother must have had a lapse of memory. When Taylor is unable to bring into line either by offer of currency or threatening Janet Leigh, his fiancée, the gang disposes of Forrest's life. This snaps Taylor out of it and he sees the light, and the windup features a gun-blazing climax as he fights it out with the gang and finally turns state's evidence. The co-feature is the fine cinemascopic western titled "Garden of Evil" that stars Susan Hayward. Both "Cop" and "Evil" will play tonight through Saturday. Saturday's matinee for the kiddies features "Iriquois Trail" besides the cartoons and serial!

"Peter Pan," Walt Disney's immortal film of the same story, will play Sunday, Monday and Tuesday! The companion feature is the exciting cinemascopic movie in color that was the follow-up to "The Robe." It is none other than "Demetrius and the Gladiators," starring Victor Mature and Susan Hayward! No more need be said about this billing—their popularity exceeds this column!

The Lemon Grove Theater, as you well know, has recently and will continue to purchase No. 1, grade "A" movies for your entertainment. Just look at this array of fine movies for the month of

December and January (just to name a few): "Broken Lance," "Prince Valiant," "River of No Return," "Brigadoon," "Three Coins in the Fountain," "The Egyptian," "A Woman's World," and "Seven Brides for Seven Brothers."

Don't forget to drop in and see Smokey Rogers and his fine group every Sunday afternoon at 3 p.m. in the GROVE show! See your local talent in action, besides the guitar playing of Smokey and the regular movie features! It'll be worth your while!—B. T.

Line-Up . . . Here are my predictions for next year's varsity football team for Grossmont High School. This is the line-up, providing all the fellows return to Grossmont and not the new high school in Cajon Valley. Ends—Perry Crampton and Curt Hardwick; tackles—Lowell Raper and Mel Bratley; guards—Ed Burk and Bob Beckner; center—Jack Steele; backfield—Eddie Porter, Joe Welch, Jim Walton and George Stone. Their beef average on the line will be 177 per man to their backfield's 147. Grossmont will lose the Helix game, 20-7!

only fair that you should hear about a new but rapidly improving seven-piece co-operative organization that call themselves "The Tones." Having been in existence a mere three months the fellows blow up a pretty good storm, catering to Glenn Miller and popular tunes! The group consists of Chuck Davis, alto; Butch Gardner, tenor; Dave Artz, baritone; Gary Curl, trumpet; Chuck Kouper, piano; Jim Goulde, drums, and Kjarntan Magnusson on bass. Mostly the fellows call Helix and Grossmont as their daytime home, but will soon be seen in various night spots of entertainment. To be truthful about the whole matter, at present the band is a mite green, but with experience and practice I'll wager anyone they'll soon have a name for themselves they can be proud of! Don't forget: "The Tones!"

the Board of Supervisors of San Diego County;

WHEREAS, Emil A. Keller, et al., the owners of certain property in unincorporated territory of the County of San Diego contiguous to the Lemon Grove Sanitation District, have asked this Board (Document No. 176915) to annex said property to said Sanitation District under the provisions of the County Sanitation District Act; and

WHEREAS, the County Boundary Commission has approved the boundaries of the proposed annexation (Document No. 176-067); and

WHEREAS, investigation of the proposed annexation by the Division of Engineering of the Department of Public Works discloses that said property is contiguous to said Sanitation District and that it would be desirable and feasible to sewer said property by extension of said District's lines (Document No. 176916); NOW THEREFORE

BE IT RESOLVED AND ORDERED:

(a) That it is the intention of the Board of Supervisors of the County of San Diego to annex to the Lemon Grove Sanitation District under the provisions of the County Sanitation District Act all of that contiguous unincorporated territory of the County of San Diego, none of which is now included in any other county sanitation district or other district or districts formed for similar purposes, bounded and described as follows:

All that portion of the unincorporated territory of the County of San Diego, State of California, described as follows:

Beginning at the most Southerly corner of Lot 20 of Berry-Land, Map 1753 on file in the office of the Recorder of San Diego County; 1. thence Northeasterly along the Southerly line of said Lot 20 a distance of 250.00 feet to the TRUE POINT OF BEGINNING; 2. thence continuing Northeasterly along said line and the Southerly line of Lot 19 of said Map 1753, to a point in said line distant a-

long said line 15.00 feet

Northeasterly from the most Southerly corner of said Lot 19;

3. thence North 50°15' West to a point in the Westerly line of said Lot 20;

4. thence Southerly along said Westerly line to an intersection with a line which bears North 50°15' West from the TRUE POINT OF BEGINNING;

5. thence South 50°15' East to the TRUE POINT OF BEGINNING.

(b) That said Sanitation District following said annexation shall continue to be known by that name;

(c) That the Board of Supervisors hereby sets Tuesday, the 28th day of December, 1954, at the hour of 11:45 o'clock a. m. in the Chamber of the Board of Supervisors, Room 310 San Diego City and County Administration Building, Civic Center, San Diego, California, as the time and place fixed for the hearing of objections to the annexation of said territory to said District, or to the extent thereof.

(d) That the Clerk of the Board of Supervisors is hereby authorized and instructed to publish this resolution of intention and notice of hearing thereon at length in at least two successive issues not more than 30 nor less than 10 days prior to the time of said hearing in the Lemon Grove Review, a newspaper of general circulation in the County of San Diego, in the territory proposed to be annexed, and in said Sanitation District.

PASSED AND ADOPTED by the Board of Supervisors of the County of San Diego, State of California, this 23rd day of November, 1954, by the following vote:

AYES: Supervisors Gibson, Bird, and Howell

NOES: Supervisors None

ABSENT: Supervisors Robbins and Rossi

Turkey is the main course of the family's most festive occasion and the bird should be tender and tasty. At Adam's Turkey Ranch we strive to raise the sweetest, tastiest, tenderest, grain-fed broadbreasted birds possible. Our patrons, who come back time after time, tell us that we have succeeded in this objective.

We invite you to share in these compliments, which will come to you from all those who join you in your holiday dinner.

A turkey from Adam's Turkey Ranch will actually make the difference.

Adds Another
School Site**

Decision to acquire an addition-
al school site of 39 acres in the
southeastern portion of El Cajon
Valley was reached by the Gross-
mont School Board Monday night.
Factors weighing heavily in in-
fluencing the action were: Heavy
enrollment in the Cajon Valley
Elementary Schools, the addition
of 7,000 acres of formerly dry
land to the irrigation district and
the current activity of subdivid-
ing.

BISHOP BLOY IS GUEST PREACHER AT LOCAL CHURCH

St. Philip's Episcopal Church
received the visitation of Rt. Rev.
Francis Eric Bloy, Bishop of the
Los Angeles Diocese of the Epis-
copal Church, last Sunday, and he
administered the rite of Holy
Confirmation to a class of 11, pre-
pared by the Rev. J. Phillip Bart-
lett, Vicar.

The Bishop preached the ser-
mon, outlining the deeper spiritual
values received by the mem-
bers of the Christian fellowship.
Sunday there will be a service
of Holy Communion at 7:30 a.m.,
followed by breakfast for the
members of the confirmation
class.

On Christmas Eve, there will

Lonely sentinel keeps your calls going through. This microwave radio-relay station overlooking San Francisco Bay is part of a chain that links the Pacific West with the East. Its job: to carry your long distance telephone calls and TV programs. And as it works, no human eye need watch it. For if trouble threatens, it automatically switches itself to stand-by equipment . . . so your calls keep going through. At the same time, an alarm alerts a testman on duty miles away. Frequently, he can tell what the trouble is—right from his desk. This is one more way we guard your service . . . while all . . . keeping it low in price. Pacific Telephone works to make your telephone a bigger value every day.

Junior college students in Wisconsin can be seen sporting cords, sweaters and shoes. Not unusual you say? It is when the entire color is pink! . . . It looks like State College and JC will do good this year in basketball! I have my doubts about Helix!

Building Contract Documents Advertisement for Bids

Notice is hereby given, That the Lemon Grove School District, Lemon Grove, California, acting by and through its Board of Trustees hereinafter referred to as the "Owner," will receive up to but not later than 8:00 P.M. on the 16th day of December, 1954, sealed bids for the award of a contract for the furnishing of all labor, materials, tools, expendable equipment, and all utility and transportation services necessary for the construction of ADDITIONS TO LEMON GROVE INTERMEDIATE SCHOOL located on Portions of Lots 10 and 17, Sub-division No. 2 of Lot 12, Rancho Mission, Lemon Grove, County of San Diego, State of California.

Bids shall be opened and publicly read aloud at the above stated time in the office of the District Superintendent of Schools, 8025 Lincoln Street, Lemon Grove, California.

Each bid must conform and be responsive to this invitation, the Information for Bidders, the Plans, Specifications, and all other Documents comprising the pertinent Contract Documents. Copies of the Contract Documents are now on file and open to public inspection in the office of the Architect, Sam W. Hamill, 403 Scripps Building, San Diego 1, California, and may be obtained by depositing \$25.00 for each set. This deposit will be refunded if the set or sets of Contract Documents delivered are returned in good condition within ten (10) days after the bid opening.

Each bid shall be accompanied by a certified or cashier's check payable to the Owner, or a satisfactory bid bond in favor of the Owner executed by the Bidder as Principal and a satisfactory Surety Company as Surety, in an amount not less than five (5%) percent of the maximum amount of the bid. The check or bid bond shall be given as a guarantee that the Bidder shall execute the contract if it be awarded to him in conformity with the Contract Documents and shall provide the surety bond or bonds as specified therein within five days after notification of the award of the contract to the Bidder.

The Owner reserves the privilege of rejecting any or all bids, or to waive any irregularities or informalities in any bid or in the bidding. Preference will be made in the award for California made supplies, pursuant to Sections 4330 to 4334 inclusive, Government Code.

There shall be paid each laborer or subcontractor engaged in work on the project under this contract in the trade or occupation listed below, not less than the hourly wage rate opposite the same, regardless of any contractual relationship which may be alleged to exist between the contractor or any subcontract and such laborers and mechanics.

*The apprentice rate is by percentage of the journeymen's rate unless otherwise indicated.

If, after the award of the contract, it becomes necessary to employ any person in a trade or occupation not classified in the above list, such person shall be paid at not less than such rate as shall be determined by the Secretary of Labor, and such approved minimum rate shall be retroactive to the time of the initial employment of such person in such trade or occupation. The Contractor shall notify the owner of his intention to employ persons in trades or occupations not classified, in sufficient time for the owner to obtain approved rates for such trades or occupations.

The foregoing specified wage rates are minimum rates only, and the Owner will not consider any claims for additional compensation made by the Contractor because of payment by the Contractor of any wage rate in excess of the applicable rate contained in this contract.

ers in El Cajon Valley.

The purchase price was \$1450 per acre which is reported by realtors to be several hundred dollars below the average of recent sales in the area. The new site, located between Madison and Montgomery streets east of Fourth Street is one-tenth of a mile from an elementary school site recently acquired by the Cajon Valley School District.

The district, by acquiring the site well in advance of need, will avoid the high costs of future purchase of subdivided and developed parcels or the equally undesirable location of the school further away from the homes of the pupils to be served. This latter would result in excessive transportation costs.

The present Grossmont District enrollment of 4700 students is divided between Grossmont and Helix High Schools. Next year the 5400 enrollment will be divided into three schools with Grossmont enrolling 1950, Helix 1900 and the new El Cajon Valley High 1550.

The fourth Grossmont District high school is scheduled to be developed by 1957-58 on a 50 acre site on Sweetwater Road to serve the rapidly growing Lemon Grove-Spring Valley areas. It will be planned to accommodate

from 1500 to 2000 pupils. Another site has been previously acquired in the Casa D' Oro-Homelands area for future development. No action has been taken on proposed sites in the Lakeside-Santee areas although it appears probable that the fifth high school for the district should be developed there.

Displays At MAYFAIR

Lend Christmas Atmosphere

Mrs. Maurice Sawin, 7587 Roosevelt Street, together with her daughter Susanne, are two attractive Mayfair shoppers. Her husband is a Navy man.

"We think shopping is actually fun when we shop at Mayfair," Mrs. Sawin said. "We never worry whether prices are out of line or not," she said. "After comparing them with other markets we have chosen Mayfair for our shopping headquarters."

Mrs. Russell Alder, 2395 Imperial Avenue has already turned her thoughts to the holidays.

"We've been sampling the cookies at the Swedish Bakery in Mayfair," she said. "I think that is one of the most wonderful things that ever happened to Lemon Grove."

Mrs. Alder has two children; a boy, Dickie, 4 and a girl, Connie 8. "It is needless for me to say that the kids like the idea too," she added.

Mrs. Kenneth Gray, a telephone company employee who lives at 4653 Violet Avenue in Vista La Mesa, together with her son Bob, is a regular Mayfair shopper.

"We buy few things that do not come from Mayfair," Mrs. Gray said. "Nothing is so delightful as to know that everything you buy is fresh... and that includes everything from vegetables to baked goods. Yes, we buy everything at Mayfair."

For those who turn their attention to conviviality for the holiday season, a well-stocked department of potables is available for busy shoppers.

Many of these items are gift packaged, ready for the giving to the person of your choice. Pat Bryant, manager of this big department invites shoppers to browse. The department is open daily and in the evenings too.

When we walked into the Mayfair Market earlier this month we were overcome with the feeling of holiday spirit. Not that the market is decorated like a Christmas tree because it is not.

The things which evoked this holiday feeling were the little things that remind us that a visit from Saint Nick is not far away. Things like the display of candied fruit for fruit cakes; a shipment of particularly plump turkeys for the meat department; the cranberry display among the vegetables and fruits and the Christmas cookies in the bake shop.
